21 JUN 1970

MEMORANDUM FOR: Director, Central Reference Service

SUBJECT : Foreign Language Films

1. The Operations School of OTR provides tradecraft and other training for selected CIA foreign agents, liaison officials and non-official

25X1A

received a copy.

2. If there is a collection problem which could be solved by the cooperation of the CS, we would be glad to meet with representatives of the CS and CRS. In any event, I hope that something can be done to acquire the films which we need for covert training programs already planned. In some cases we will use the films for training in foreign countries and, therefore, want them on a long-term loan or retention basis.
